**ARC HEALTHCARE, LLC AWARDED MULTIPLE GENERAL SERVICES ADMINISTRATION SCHEDULES**

**Columbus, OH, July 2022** – ARC Healthcare, LLC today announced that it was awarded service schedules with General Services Administration (GSA), which enables the Company to sell directly to federal, state and local government clients in all 50 states. The initial schedules apply to Administrative Management and General Management Consulting Services, Health Information Technology Services, and Office Administrative Services.

*Amanda Ratliff, CEO of ARC Healthcare, stated, "GSA Schedules are a huge strategic win for us. It further develops our Federal footprint as a certified small disadvantaged and woman owned business. It will allow us to highlight and showcase our healthcare expertise, as well as call center, staffing, technology and administrative support. Most importantly, add valuable jobs to the community for which we serve that has been hit so hard by the pandemic. We are overjoyed and humbled to provide support to GSA under 541611, 54151HEAL and 561110".*

*Ross Tuttle, COO of ARC Healthcare and Navy Veteran added, "Not only does this prestigious award afford us the opportunity to make contributions and support the Federal sector but it allows us— facilitate ARC's continued growth into other industries."*

The awarded schedules are a long-term award. The award of the GSA Schedules means that the GSA has determined that a vendor's pricing is fair and reasonable, and that the vendor complies with all applicable laws and regulations.
